## Retro-Futurist Designed Cycling Glasses

The Shifter is Bollé's most technical sunglass yet. Based on the famous Chrono Shield model, worn by the best cyclists in the world during the 1990's, the Shifter is packed with simple yet progressive features. Curved temples, vented lens and a variety of lens options including the new Phantom lens, makes this a great choice for anyone who cycles.

$300 **Bollé** • Shifter Sunglasses
